WHERE SOUTHERN  
HOSPITALITY  
MEETS COSTA RICAN  
CUISINE

The Roasting Company, a Charlotte tradition for over twenty-five years.

Since its establishment in 1991 on Montford Drive, followers have loved the landmark for its unique and flavorful menu backed by high quality, fresh and nutritional ingredients, affordable prices and laid-back friendliness served up in a casual atmosphere.

The main attraction, Costa Rican rotisserie chicken, marinated without added oils or fat, is the foundation and building block for the majority of the dishes, which creatively mix Southern and "south of the border" ingredients.

Loyal patrons declare that, "You can't go wrong. Anything you order on the menu is delicious." There's something for everyone – vegans, carblovers, vegetarians, comfort-food lovers. Great to eat in or take out – real food, real easy (or real food without the stress). Not to mention, everything is made fresh daily, cooked the real way – we don't even own a microwave. You need to check out the unique flavors and sides for yourself! To add to your experience, we offer your favorite sports on TV and our taproom with a focus, almost exclusively, on local breweries.

## THE ROASTING COMPANY GUARANTEE:

Our food and service are unconditionally guaranteed. If you are not completely satisfied with your visit, please let us know. We will do whatever it takes to make you happy. Customer satisfaction is our top priority.

**We serve lunch and dinner 7 days a week.**
