## ROTISSERIE & BAR

Since our opening in May 1991, The Roasting Company has strived to offer food that is both nutritious and affordable, but more importantly, cuisine that is flavorful. Our main attraction, Costa Rican marinated rotisserie chicken, is the starting point on a menu that creatively mixes southern and "South of the Border" ingredients. Our chicken, marinated without added oils or fat, is served alongside our unique vegetables, cold salads, and pork dishes, all made daily from the finest ingredients available. The bottom line is that our food is high quality and tasty. So, if you like it, please tell your friends. If you don't, tell us.
